Madison County Alder Water & Sewer District Board Meeting Minutes

April 16, 2018

Elizabeth Qualls brought the meeting of the Madison County Alder Water & Sewer District Board to order at 6:15 p.m. at the Alder Fire Department Hall. Board Members present were Elizabeth Qualls, Dale Smail, Tom Pruitt, Laurie Buyan, Randy Larson; Mary Moore Smail, maintenance person and clerk, Linda Robertson.

Laurie made a motion that the minutes of the March 19, 2018 meeting be accepted as printed. Randy seconded the motion. All voted aye and the minutes were approved.

The financials and register printout for checks #1666 through #1672 were reviewed. Randy made the motion they be accepted and Tom seconded the motion. All voted aye and the financials were signed and approved.

Dan Birdsill is building a structure over what appears to be the easement for the sewer access to the pump station and covers the main line. A letter will be sent requesting the building to be removed from the easement.

Mary reported everything is working good in the sewer system.

Garnet Mine has spoken to one of the Board members that their drain field is destroyed and they may want to pump to sewer lagoon. Nothing official has been submitted.

Tom made a motion to adjourn the meeting and Dale seconded the motion. All voted aye and Liz adjourned the meeting at 7:05 p.m.
