**CONFERENCE CALL-IN OPTION**

The conference call-in option can be used for unusual circumstances, such as poor winter driving conditions or being outside the region at the time of a MHLAC meeting. Here's how to access this service:

**Conference Call:** Conference Dial-in Number: **(712) 775-7031** Participant Access Code: **846-591-904#**  
(Unless you use a cell phone to call in, long distance charges will apply.)

**Participant:** Dial the Conference Dial-in Number and when prompted, enter the assigned access code, followed by the # key. Once connected to the live conference, every caller will be able to talk.
