

# Madison County Solid Waste & Recycling Board Minutes

---

**Solid Waste & Recycling Board Meeting  
September 13, 2018 ~ 1:15 P.M.,  
Madison County Commissioners Conference Room  
103 West Wallace, Virginia City**

On September 13, 2018 a meeting of the Madison County Solid Waste & Recycling Board came to order at 1:15 pm at the Commissioners' Conference Room. Members present were: Tikker Jones, Sue Heald, Sarris Marsh, Rodney Stephens and Ed Armstrong. Commissioner Dan Allhands was also present.

Others present: Steve Primm, Denny Lueck, Solid Waste Foreman and Kacey Smart, Sanitarian Clerk.

- 1. Review Minutes of the June 21, 2018 meeting:** Sue moved to approve the minutes. Sarris seconded. Unanimous.
- 2. Public Discussion/Comments:** Denny spoke about ordering the new truck and hook.
- 3. MACO Recommendations:** Denny has met with the new Safety Coordinator. Denny is going to pour concrete at the Sheridan site for new walls and to meet height requirement. The next priorities will be Waterloo and Norris with building up the pad.
- 4. County Recycle Program:** Kacey reported that Tina said it has been going ok, but not a lot of participation from the Courthouse or the public meeting room. Discussion was had regarding better signage, a reminder letter or having Laurie Buyan remind people when they reserve the public meeting room that there are recycling containers in there.
- 5. Cardwell Container site:** Ed reminded Denny of the power lines at the site, since raising the ground level. Sue has been trying to get in touch with Craig Campbell, DNRC. He wants to look at the sites and then meet with some of the board and look at the sites.
- 6. Palisades Container site:** Discussion was held regarding using bird netting to keep the garbage from being spread. There was also discussion of moving the site to the east, and donations from some of the land owners. Steve will look into the cost of netting.
- 7. Request for Solid Waste removal:** There were none.

- 8. Nevada City Container site – Steve Primm:** Steve reported that FWP would rather use their money on infrastructure than on wages to open and close the gate. There was discussion on a sliding gate on a timer with hot wire on the side and a push button cage. Denny will talk to Larry Laknar and get the cost of sliding gate that Beaverhead County just installed. Steve will check the cost of a push button cage. If feasible and affordable, the cages could be used for the Palisades site also.
- 9. Tax Exempt Billing:** There are 4 entities that haven't paid yet, 2 of which are on Federal Fiscal year and always pay in October, and 2 of them are not wanting to pay. Kacey presented a letter for the board's approval and signature and will send to the 2 delinquent property owners. The board would like to have the Solid Waste Fee Schedule put on the next agenda to be updated.

**Other Business:** Discussion was held RE: Shipping cardboard and plastic recycling.

Meeting adjourned at 3:10 p.m.

The next meeting date will be November 8<sup>th</sup>, 2018 at 1:15 pm in the Commissioners conference room.
