2016

This Month at Thompson-Hickman

The Thompson-Hickman Reading Room (a.k.a. the original section of the library), has been repainted, the original hardwood floors have been refinished, and new 1920's era furniture has been set up. In the fall, we will be updating the electrical system in the old space and putting gas inserts into the fireplaces.

Drop by to see this amazing, comfortable, and historic space!
