### This Month at Thompson-Hickman

The Grand Opening on Thursday, July 30<sup>th</sup> @ 11:00 am was a fun & successful event. Speeches were made by Library Board members & Library Staff, a bronze plaque was unveiled, a ribbon was cut with gold scissors, Dave Walker played music, and people took tours of the library and ate snacks while watching a slideshow of the construction process.

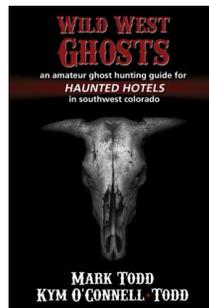

## Successful Events

### The Friends of the Library's first Book Talk Event

*On August 6<sup>th</sup>, Mark & Kym Todd talked about their book, "Wild West Ghosts" and presented some audio & video clips from their paranormal investigations around Virginia City and various towns in Colorado. 36 people attended the event and half of the attendees had never been in this library before. After the presentation, many attendees shared their own ghost stories/experiences and everyone enjoyed some snacks provided by the Friends of the Library & the Bale of Hay Saloon.*

### Children's Summer Reading Final Party

*On Tuesday, August 18<sup>th</sup>, the Summer Reading Program children enjoyed a great final party celebration for the ending of the "Every Hero Has a Story" Summer Reading Program. They received reading certificates & goodie bags, played with a large parachute, a ring-toss game, a beanbag toss, ran races, colored thank-you booklets, ate superhero themed treats, and had their faces painted and their pictures taken!*
