"A must-read not only for those passionate about the paranormal world but also for Old West history buffs or anyone who loves to travel and experience a wonderful overnight stay." – Timothy Yohe, paranormal investigator and founder of *Paranormal Insights*

Mark Todd and Kym O'Connell-Todd are journalists, co-authors of three paranormal comedy novels, and now ghost hunters. They formerly lived in a haunted house for nine years but decided to write about places not quite so close to home.
