### This Month at Thompson-Hickman

This month the Thompson-Hickman Madison County Library Board of Trustees elected to present the Trustee's Award for 2013 to former Board Member and current Friend of the Library Member, Gary Forney. Gary served on the Library Board of Trustees for 10 years and the Pace Archives Board from its conception. The Board Members and Staff of Thompson-Hickman would like to thank Gary for his years of invaluable servitude. He has had a positive and lasting impact on the library.

Thank you Gary!

We would like to extend a special thank-you to Diane & John Sabo, proprietors of the Alder Steakhouse for gifting us with their 9 framed photographs of the dredges that went through the Alder Gulch. The photographs are a beautiful and historic addition to the library. Thank you Diane & John!

## Alder School Library Days

The Alder School children had their last visit for the school year on April 8<sup>th</sup>!  
Our friend, and loyal patron, Angela Mueller brought in the children's books she has written about her dog Bodie, to read to the children. Bodie also made a special appearance!  
Then the children started crafting their own stories!  
Thank you for the help & inspiration Angela!
