2016

This Month at Thompson-Hickman

Plans are *growing* and *blossoming* around the library this month!

The Archival Shelving is being installed this week! It's actually being delivered as I type! Our archival materials are temporarily living in the Children's Area until the shelving is set up and ready to go...thus, the Children's Area will be closed for about one week.

The Thompson-Hickman Reading Room (the "old space"), was freshly painted by Hardy Painting and the floors are being restored by Nestegard Flooring! The Reading Room will reopen by May 1st!
