- I. Public Comment
- II. Call to Order
- III. Old Business, BSTRP Assessment in Madison County:
  - a. BOD to discuss shortfall of 400-500 fewer taxable parcels in Madison County, which could result in a budget shortfall of \$35,000-\$45,000.
  - b. BOD to discuss reducing the Madison County assessment to match the modified assessment in Gallatin County in light of discovering that there are more parcels in Gallatin than previously thought. Gallatin County's assessment dropped from \$88.62 to \$62.73. If Madison County followed suit, there would be an additional budget shortfall of \$80,000-\$85,000.
  - c. BOD to discuss Madison County's proposal of adding the assessment to the first half of 2024 taxes which would delay assessment funds for an additional 8 months.
- IV. New Business

- VI. Adjournment
