JV-07-21- Robert Rash – Hells Canyon Creek – This application has been declared a project. An on-site inspection has been scheduled.

JV-08-21 – Farrell Madsen – Lump Gulch Creek – This application has been declared a project. An on-site inspection has been waived by the Department and the District.

Grant Funds:

Discussion occurred about getting the needed permitting in place for the proposed project. Dan will work on getting a meeting setup with the Army Corps of Engineers.

NRCS

Diane stated that they are only working one at a time in the office at this time. The other part of their time is working at home. Diane is still working towards getting something submitted for the local workgroup priorities. At this time, Mark made a motion to maintain the priorities as they were submitted last year. Gerry seconded the motion and the motion carried.

Supervisor's Reports:

No reports were given at this time.

Legislative Update:

Information on current bills affecting the conservation districts and DNRC funding was submitted to the supervisors in their meeting packet information.

Correspondence:

MACD/DNRC/Western Governor's Report:

Updates and information from these organizations were copied and submitted for the Supervisor's consideration.

There being no further business the meeting adjourned.

Respectfully Submitted by,

Kris Hugulet, District Administrator
