Thompson-Hickman Madison County Library welcomes a new team of Librarians!

Jack Albrecht – Library Director

Raised in a military family, his father's Army career took the family to assignments throughout the US and abroad. He graduated from Bitburg American High School in Germany. During his early years, he attended college and, on occasion, worked as a singer and actor in Colorado. He got his BA in Humanities from San Diego State University in California and his Master's Degree in Library Science from the University of Arizona, Tucson. He managed branches with San Diego Public Library for fifteen years, deciding to return to the Rockies in 2010 by moving to his vacation home in Whitefish. In Whitefish, he worked for two years for Montana Coffee Traders, where he learned to appreciate the value of a great cup o' joe! He fell in love with Virginia City when he was introduced to it by friends over two years ago. He's thrilled for the opportunity to be working back in his chosen field again, especially so since this position places him in beautiful, historic Virginia City.

Christina Koch – Assistant Librarian

Christina worked at the Thompson-Hickman County Library from November 2010 to April 2012 as a Temporary Clerk. She was then hired as a permanent Library Clerk in September of 2012. Christina is thrilled that she is now the full-time Assistant Librarian. She has a degree in Early Childhood Education and loves working with the Alder School children, doing the Summer Reading Program and Storytime every Tuesday at 10:30! She is also an avid reader and a Virginia City resident, so working at her local library is her ideal job.

Lynne Knight – Library Volunteer

Lynne Knight is an Experience Works employee who is currently volunteering at our Library. Originally from a tourist town in Rhode Island, Lynne loves the homey western feel of Virginia City and is enjoying meeting all of the local residents. She has been a great asset to the Library and we are thrilled to have her as part of our team!
