REQUEST FOR FLOODPLAIN DEVELOPMENT PERMIT

The Madison County Floodplain Administrator has received a Floodplain Development Permit application request from Ronda Burns, P.E., of Confluence Consulting Incorporated on behalf of Barrus Management LLC and Geoduck Land and Cattle LLC install a recreational fishing pond and create riparian and wetland habitat around and adjacent to the pond within the Regulated Flood Hazard Area of the Big Hole River, southwest of Twin Bridges. The proposed project includes a 1-acre pond and associated outlets, channels and swales, landscape features, gravel access trails, gathering shelter, boardwalk, patio and rock deck, and two bridges for wetland crossings. No work will be conducted within the stream bed or banks. The subject property is located off Biltmore Road in Section 29, Township 4 South, Range 7 West, P.M.M., Madison County, MT.

A detailed description of the proposed project is available for review at the Madison County Planning Office, 103 W. Wallace, Virginia City, MT 59755. Comments concerning the above request should be directed to the Madison County Floodplain Administrator via mail to P.O. Box 278, Virginia City, MT 59755; by phone to (406) 843-5250; by fax to (406) 843-5229; or email to CMarxer@madisoncountymt.gov.

Comments will be received through 5:00 p.m. on Monday, January 3, 2021. In the event of substantial comment or protest to the issuance of the permit, the Madison County Floodplain Administrator may hold a public hearing to determine whether the permit shall be issued.
